LOSE DEBATE

Howard City Team Wins From Alma High Trio.

Friday evening's debate at Howard City proved disastrous for Alma high school debaters, the team representing that school winning a 3 to 0 decision from the local team.

The Alma team took the negative side of the question, "Resolved, that the adjustment of disputes between employer and employee should be made a part of the administration of justice." The locals proved no worse on the negative side of the question than has any other high school debating team of the state that has taken the negative, as no team has yet been able to win when taking this end of the proposition.

Up until the rebuttals which closed the debate it looked as though the Alma team would have an easy victory, but the closing arguments blasted the hopes of the Almatites to win.

MEET ST. JOHNS

The Alma high school debating team will meet the St. Johns trio at St. Johns Friday evening, taking the negative side of the question, "Resolved, that the adjustment of disputes between employer and employee should be made a part of the administration of justice." Elliott Crooks, John Holmes and Phillip Lewis compose the Alma debating team.

A SAFE TEST

For those who are in need of a remedy for kidney troubles and backache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Alma people.

Mrs. Adelina Camer, 918 Pine Ave., Alma, says: "Some two years ago my back and kidneys started to trouble me. Sharp pains often darted up and down my back, making it hard for me to do my work. It was hard for me to stoop over or lift anything and at night when I went to bed, I didn't dare to move or turn over. Mornings I was so blinded with black specks that I couldn't see to go on with my work and I often had to grasp hold of something for support. My kidneys acted irregularly and my life was miserable. I saw in the paper how Doan's Kidney Pills were used by many folks, so I bought a few boxes at the Look-Paterson Drug Co., and they cured me wonderfully."

BUICK

A safe investment, a good reliable car to drive, is the usual comment among Buick owners. Buick has won the favor of every one by its twenty years of keeping faith. We are determined to live up to the enviable Buick record by Dependable and Satisfactory Service.

You hear this word "service" everywhere in connection with motor cars, but how little it means to you ordinarily after you have bought your car.

Here is our definition of the word "Service" and the foundation upon which we expect to build the greatest automobile business in Central Michigan—

"Service is anything that we can do for you that will continue to make you glad that you own a Buick car."

Our service department will be in charge of competent workmen and our charges to you will be ONE DOLLAR AN HOUR.

It will indeed be a pleasure to show you the new Buicks for 1921 now on display on our sales floor.

Here is plainly the most important clothes selling event of the season, because we have cut to the lowest possible level. It is a give-away affair. Our profits are not only ignored—they are lost. You couldn't ask for a better opportunity.
